NCTE
National Council for Teacher Education
(A Statutory Body of the Government of India)

Bachelor of Education (B.Ed)

Approved by NCTE &Affiliated to
Guru Gobind Sing Indraprastha University (GGSIPU), Delhi

Overview

The Bachelor of Education (B.Ed) programme aims at developing the understanding and competencies required by practicing teachers for effective teaching-learning process at the secondary level of school education. The course work combined with rigorous practice of teaching prepares teacher trainees to master the art of teaching and the ability to deal with students based on their individual differences in various classroom situations.

Objectives

- To describe the role of Education in desirable social change, sustainability and socio-economic development.
- To explain globalization in the context of Indian Education System.
- To define emerging issues like Social Equity and Equality, Social Cohesion, Democracy, Secularism, Human Rights, Right To Education and concerns for the disadvantaged section of the society.
- To enable Pupil Teachers to use knowledge of effective verbal, non-verbal and media communication techniques to foster active enquiry, collaboration and supportive interaction in the classroom
- To enable the student teachers to apply formal and informal assessment strategies to evaluate and ensure the continuous intellectual social, emotional and physical development of the learners.
- To help student teachers in expressing their identity as a 'teacher' through school based learning experiences and reflective practices that continually evaluate the effects of their choices and actions.
- To provide a rich programme of curricular and extracurricular activities for student teachers for all round development of their personalities as also those of the students whom they teach.

PROGRAMME DESIGN AND DURATION

The Bachelor of Education (B.Ed) is a two-year (affiliated to GGSIP University, Delhi), spread over four semesters. The programme comprises of various core and elective subjects interspersed with School Internship. All the semesters are a blend of intense classroom leaning and practical experience.
